Profile Summary

Experienced Web and Mobile App Developer with 3+ years of expertise in React.js and React Native. Skilled at building scalable, high-performance applications with a strong focus on user experience. Passionate about using JavaScript, TypeScript, and modern frameworks to develop innovative and user-friendly applications. Proficient in API integrations, performance optimization, and real-time data handling.

Technical Skills

- **Frontend Development:** React.js, Redux, Redux Toolkit, HTML, CSS, Material UI, Bootstrap
- **Mobile Development:** React Native, Expo
- **Programming Languages:** JavaScript, TypeScript
- **API Integration:** GraphQL APIs, RESTful APIs
- **Other Tools and Libraries:** Firebase, Amazon Chime SDK, Sentry, AdMob

Experience

Anveshak Technology and Knowledge Solutions - Sr. Software Development Engineer Aug 2022 - Present

- Designed and implemented **web and mobile apps**, ensuring a seamless user experience.
- Collaborated closely with designers and backend developers to build interfaces that meet client requirements.
- Built **responsive UI** components using **React.js** and **React Native** for cross-platform compatibility.

InfoVision Inc. – Software Developer Intern Feb 2022 – Jul 2022

- Developed responsive and **dynamic websites** using HTML, CSS, Bootstrap, and JavaScript.
- Engaged in continuous learning, exploring emerging technologies and frameworks to enhance development practices within the team.

Projects

VoIP Calling and Messaging App May 2024- Present

- Developed a cross-platform mobile app for iOS and Android using **React Native** and **TypeScript**. Integrated **RESTful APIs**, **Firebase Authentication** for secure login, **Firebase** for real-time messaging and analytics, and **AdMob** for in-app revenue generation. Implemented **Sentry** for error monitoring to ensure smooth performance.

Athlete Health Management Dec 2023- April 2024

- Created a web app with **React.js** and **Material UI**, using **Redux** for robust state management and optimized data fetching with **GraphQL APIs**, achieving faster load times. Created **role-based user flows** (e.g., Administrator, Coach, Athlete) with secure access privileges tailored to each role.

Real-Time Video Communication Nov 2022- June 2023

- Upgraded an existing **React.js** codebase to improve usability and responsiveness. Integrated **Amazon Chime SDK** for seamless video and chat features and introduced a real-time collaborative whiteboard using **Fabric.js** and **WebSocket**. Designed interactive video tiles and animations with **Material UI**, CSS, and HTML to elevate user engagement.

Education

Pune Vidyarthi Griha's College of Engineering and S. S. D. Institute of Management Aug 2019 – Jul 2022

Bachelor of Engineering: IT - CGPA: 8.59

Nashik

Matoshri Aasarabai Polytechnic

Aug 2016 – Jul 2019

Diploma: IT- Percentage: 75.06%

Eklahare, Nashik

Shri. Chhatrapati Shivaji Vidyalyaya

Mar 2016

SSC - Percentage: 85.00%

Nashik

Achievements

- **Technical Excellence Award (2023):** Recognized for delivering high-quality software solutions and technical expertise.
- **Star Performer of the Month (July 2023):** Acknowledged for exceptional performance and contributions to project success.
